Alma Mater

Oh, Alma Mater we have you
Oh, blessed Mount and sing your praises never ceasing
For on your heights above the ocean's billows
Stands Mount St Mary's calling;
We greet you, oh beloved Mount,
So near the stars above the city
In vistas ever new from cloud flecked sky
You bid us welcome home, welcome home.
Your chapel, your cloisters wide
Where we have walked in wisdom's path.
Your truth we'll cherish all our days
Oh, Alma Mater.

FEEL THE POWER OF POSITIVE CHOICE

ASAP members prepare mocktails for the big event.

This year Alcohol and Substance Abuse Awareness Week, sponsored by the Alcohol and Substance Abuse Awareness Program, focused on wellness issues. Activities during the week, included a Wellness Fair, that provided the Mount Community with information concerning women's health issues and substance abuse prevention. Representatives from Bally's Health Clubs and the Yoga Center participated in the fair. A raffle was held during the fair with lucky students winning prizes such as health club memberships. Also, during the week, Jimbalaya, a popular Reggae band, entertained students as they enjoyed mocktails, a delicious alternative to alcoholic beverages.

EARTHQUAKE READINESS WEEK

In Spring of 1993, Mount St. Mary's College held its first Earthquake Information Fair and a major all campus "practice" earthquake drill. The purpose of the drill was to prepare the MSMC community in the event a major earthquake should hit the Los Angeles area. Earthquake Readiness Week has become a major event each year at MSMC. The need for preparedness hit home on January 17, 1994, when the "Northridge quake" rocked the Los Angeles area. Fortunately, the Mount experienced little damage. While the Spring 1994, Earthquake Readiness Week was scheduled to be held after the January 17 earthquake, students, staff, and faculty were still able to benefit by attending the Earthquake Information Fair and participating in other activities held during the week.

SIENA DAY 1994

Siena Day is the annual all-College Spring Convocation held on the Doheny campus. Siena Day is named for Catherine of Siena, born in 1347. A woman ahead of her time, she lived a full but brief life of 33 years. Catherine of Siena used her God-given talents in service to her community. The theme of Siena Day 1994 was "Revitalizing L.A. . . . What's the Next Step?" The day included an international buffet and entertainment as well as a panel presentation on the progress of rebuilding L.A. since the 1992 riots. The entire Mount community joined together in celebration!

Athenian Yearbook

In 1993 Athenian Yearbook staff members were given a challenge expand and enlarge the book. All MSMC students would now be receiving a copy of the yearbook, allowing staff members the opportunity to work on more pages and increased coverage of MSMC activities, events, students, staff, faculty and administrators. Staff members worked hard all year to produce a yearbook that reflects the richness and diversity of the MSMC community. The yearbook staff hope that the 1993-1994 Athenian Yearbook will become a treasured memory of your college years.

Outstanding Faculty Award

Dr. Brenda Shook
Chair, Department of Psychology

"Being chosen as faculty of the year is the single greatest honor in my life. To have students recognize and appreciate the impact I have on them is both professionally and personally rewarding."

Dr. Shook earned her Ph.D. in physiological psychology at Brandeis University in 1982. She has done postdoctoral fellowships at UC Davis and UCLA, focusing on neuroanatomy. Currently she is conducting research that examines the impact of injury on fetal brain development. Dr. Shook joined the faculty at MSMC in September, 1991, and has served as chair of the psychology department since July, 1992.

MARY'S DAY 1994

Mary's Day is a celebration in which the College community honors Mary, the Mother of Jesus. From its inception over 50 years ago, the day has included a procession to the statue of Mary enshrined on campus, and the crowning of this statue with a wreath of flowers.

We celebrate Mary as a courageous woman who brought new life to the world by her openness to the Spirit and her willingness to walk a new and risky path. Throughout the years, it has been the tradition of Mount St. Mary's College to honor Mary by recognizing students who have developed their gifts so as to share them in service with the world in which we live.

Today, we continue this tradition. Mary's Day is a time when families and friends join faculty and administrators in honoring Mary by celebrating the achievement of the students of Mount St. Mary's College. -(Gail Gresser)
